MERIT SCHOLARSHIPS

Saint Ignatius High School offers Merit Scholarships to all students who score from 93-96 on the exam (\$3,000) and those students who score from 97-99 on the exam (\$6,000). A student must meet academic and disciplinary standards to be eligible for renewal annually. Prospective students are required to take an Entrance Exam at Saint Ignatius High School on October 2 or October 30, 2021. However, test scores from other schools may be accepted for scholarship determination. In order to be considered, these additional test scores must be submitted by December 1, 2021.

NEED-BASED TUITION ASSISTANCE

All prospective students who would like to apply for Tuition Assistance for the 2022-2023 school year must complete a FACTS Grant & Aid Application to gather and analyze family financial information to assess a family's ability to pay tuition.

It is the policy of Saint Ignatius High School that both biological parents must file for financial assistance in order for financial aid to be granted to their student.

This application is available online at:

www.ignatius.edu/financial_assistance

DEADLINES & ADDITIONAL INFORMATION

FACTS Grant & Aid Assessment Application and all supporting documents must be completed no later than November 15, 2021 if the prospective student/family wants to ensure that they will receive their financial assistance package before having to make their high school decision. Supporting documentation can be uploaded to:

<https://online.factsmgt.com/signin/3x0VC>

- Please note that FACTS no longer accepts faxed or mailed tax documents. All documents must be uploaded to the website above. The application is mobile friendly.
- Families who complete this process will receive an estimated tuition assistance award in writing by early January.
- Only one application needs to be completed for all high schools to which the student is applying.
- Complete, accurate and timely information is required. Applications submitted after the deadline and/or with incomplete or inaccurate information may result in reduction or denial of Tuition Assistance.
- It is important to note that the deadline for prospective students (Class of 2026) is several months earlier than the deadline for returning students. Families with a returning student and a prospective student must complete an application for their prospective student(s) by November 15, 2021, (based on their 2020 tax return) and complete an application for their returning student(s) by May 1, 2022, (based on their 2021 tax return).
- For residents of the City of Cleveland and residents of other select schools, Saint Ignatius accepts the Cleveland Scholarship Voucher and EdChoice Scholarships from the Ohio Department of Education. The renewal forms and application are available in February.

WHAT TUITION PAYMENT PLANS ARE OFFERED?

At Saint Ignatius High School, we use the FACTS Tuition Management system. This is a web-based system that all parents are required to use to manage financial aid and the payment of tuition and fees to Saint Ignatius High School.

PAYMENT PLANS & PAYMENT METHODS

If you have an existing FACTS account, the payment plan previously selected will remain in effect for the next school year. If you are new to FACTS or would like to change your payment plan, you will be able to choose from the following payment plans:

One time full payment of tuition (due July 15);

Two equal installments (due July 15 and December 15);

10 equal monthly installments (due monthly July 15 through April 15)

There are no billing fees associated with the first two methods. If you choose the monthly option, there is an additional \$50 annual fee that is assessed.

If an electronic payment is not selected, an additional \$100 maintenance fee will be added to your account for invoice billing.

DO I NEED TO APPLY FOR FINANCIAL AID EVERY SCHOOL YEAR?

Due to the fact that financial aid is based on a family's need, and situations change from year to year, you must re-apply each school year for tuition assistance. Families with a returning student must complete an online FACTS Grant & Aid Assessment by May 1 (based on their current tax return). Following is a link to the online application:
