- Many other factors are considered, including but not limited to family size, children in private school, lifestyle indicators such as vehicle(s) and home(s), sources of income (employment vs. self-employment), unique situations and other factors.
- Average Financial Aid does not include the additional assistance awarded by the Ohio Department of Education's Cleveland Scholarship and EdChoice Programs available to students in eligible school districts.
- Individual Financial Aid awards are determined using the FACTS Grant & Aid Process. Applications for the Class of 2025 are due in November 2020 with notification in late December 2020.
- Due to COVID-19, Saint Ignatius High School established a Family Tuition Relief Fund. Forty-one families in the Class of 2024 received a total of \$89,150 of additional aid. Families who applied were granted additional aid based on a proven need due to a layoff, furlough or other financial hardship due to the pandemic.
- This data is based upon total financial aid awarded as of September 16, 2020.
