

## **ABOUT THE SIBN**

The Saint Ignatius Broadcast Network is the home of Saint Ignatius athletics. We broadcast Wildcats sports to Saint Ignatius fans across the country and the world at ignatiuswildcats.com/SIBN-live.

We've helped to launch the careers of many successful alumni, including Brendan Gulick '09 (92.3 The Fan), Mike Watts '09 (USL Soccer, the Bengals), John Fanta '13 (Big East Network), and Miles McQuinn '13 (University of North Carolina).

If you love sports, we're the club for you. Whatever sport you're interested in, or whatever your interest, we have a spot for you in the SIBN.
