

The *Arrupe Bigs and Littles Mentoring Program* provides an opportunity for high school students to serve as positive role models to children who are currently in 5th or 6th grade and who live in an 'at-risk' environment on the near west side of Cleveland. At *minimum*, volunteer mentors ('Bigs') are required to make regular phone calls to their 'little' and to attend weekly after-school meetings at the Urban Community School with their 'little' every Wednesday throughout the academic year or semester in which you are a 'Big'.

Please make sure that you are available EVERY WEDNESDAY (except during holiday breaks) from September 5th through our closing event in May 2019.
