

# THE HARLEQUINS

## The Drama Department at Saint Ignatius High School

**Arsenic and Old Lace. Mamma Mia. A Few Good Men. Godspell. The Odd Couple. Grease. Anything Goes. The Wedding Singer. True West. Monty Python's Spamalot. Guys and Dolls. Jesus Christ Superstar.** These are just a handful of the many shows the Harlequins have produced over the past 100 years... Our graduates have won Tony and Emmy awards, appeared in Broadway shows and national tours, and have even become presidents of Saint Ignatius High School.

### Musical Pit

- Our pit for the spring musical is filled with professional musicians who perform all over Cleveland and the country.
- Students have the opportunity to play alongside anywhere between five and thirteen music professionals for every show!

### Crew

- Over forty students work with industry professional mentors to learn how to build and design every facet of the production-- something unique to the Harlequins.
- Student designers get to create in a state-of-the-art facility, one of the best in Northeast Ohio.

### Cast

- Over 60 students, both from SIHS and girls from area high schools, audition every year for our two productions.
- Past Harlequins have studied theatre at some of the top programs in the country, including Carnegie Mellon University, The Juilliard School, New York University, and University of Southern California.
