

Poster Cats

The members of the St. Ignatius Poster Cats perform an important service to the school community.

We design, produce, and display posters for the purpose of advertising events or ideas important to the life of our school.

The club meets once a week from 1:00 pm to 1:45 pm every Friday in Rm 220 of Loyola Hall.

This can be a great way for you to use your talents and energy, and yet stay behind the scenes. If you like to draw or do lettering – or even if you don't (you can learn on the job) – the POSTER CATS may be for you!

**Have fun... Be of service...
What more is there?
