

PARENTING IN A DIGITAL WORLD

With society heading in a direction of being constantly connected to technology, what do we need to know as parents to protect our children and teach them responsible and appropriate use of technology? The parameters of rules and expectations that you put in place at home will undoubtedly guide their behavior in the years to come.

Please join us for an informative presentation that will cover the following topics and more!

Social Media Update - The most current apps & trends in their social media lives

Pick Your Battles! - You will have to balance the yin with the yang, promote independence while taking a strong stance on certain subjects

Current Research - Brain development & technology, violent video games

Digital Footprint and Reputation - With their future approaching, recruiters and employers are taking note - What will they find?

Tips & Tricks to Use at Home
