### The School

Saint Ignatius High School, which opened its doors September 6, 1886, is a Jesuit college-preparatory school. The school enrolls over 1,400 young men who hail from 96 cities in a nine-county region. Located in close proximity to downtown Cleveland in the vibrant and energetic Ohio City neighborhood, the school occupies 23 acres and includes 19 buildings and three athletic fields. The school has 120 faculty members with 16 years average teaching experience, 90% of whom hold advanced degrees, 60 percent of whom have spent 10 years or more teaching at Saint Ignatius.

Academically, Saint Ignatius is a regional and state leader in National Merit finalists and Advanced Placement scholars. The Class of 2023 qualified 8 students as National Merit Semifinalists, 22 as Commended Students, and 5 students as College Board National Recognition Program Scholars. We also had 216 students receive Advanced Placement scholar honors this year. Nearly 100 percent of Saint Ignatius students go on to four-year college programs at universities across the United States.

In September 2009, the school was designated a Blue Ribbon school by the U.S. Department of Education. In 2016, the school was designated an AP Capstone Diploma school by the College Board. Students from the Class of 2023 were the fifth cohort to participate, with 25 students earning the AP Capstone Diploma designation.

As important as academics are, the spiritual program of the school is an essential component that sets Saint Ignatius apart from any other school in Northeast Ohio. While respecting all faith traditions, Saint Ignatius is a Catholic high school rooted in Jesuit spirituality. A four-year theology program, annual spiritual retreats, frequent liturgies, and opportunities for service to those in need are mainstays.

### Mission Statement

Saint Ignatius High School, with its Catholic tradition rooted in the *Spiritual Exercises* of St. Ignatius Loyola, prepares young men for their adult lives by

- challenging them to academic excellence and the desire for life-long learning
- nurturing them to be open to growth, intellectually competent, religious, loving, and committed to work for peace and justice
- inspiring them to know, love, and serve Jesus Christ.

#### COVID-19 STATEMENT

*Beginning March 18, 2020, all instruction at Saint Ignatius High School was delivered remotely through the end of the school year on May 29, 2020. Teachers used a combination of methods - synchronous and asynchronous - to deliver content and engage students. Rigor was maintained, students received percentage grades, and the grading scale remained unchanged. For the 2020-21 school year, students attended class in-person five days/week, received percentage grades, and the grading scale remained unchanged. Our graduation requirements remained unchanged. Those policies continued for the 2021-22 school year and remain for 2022-23.*
