**Sophomore Service

Saint Ignatius High School shows prime concern for the development of Christian values in all students. Thus, there is a strong emphasis on the promotion of faith in the service of justice in the education of the Saint Ignatius student. As a Jesuit school, Saint Ignatius tries to alert students to heed the cries of the poor, the helpless, and the oppressed; strives to prepare students to be respectful of others and of opposing views; and prepares students for subsequent leadership in building a society that is more just.

To this aim, a service component, Sophomore Service, has been inserted into the curriculum, which includes 45 hours of community service as part of sophomore year Theology. Service to the community is ongoing in the upperclassman years and under the auspices of the Christian Action Team (CAT).

***Physical Education

Per State of Ohio guidelines, a student can waive the PE requirement through interscholastic sports participation.

For a full description of all courses visit the academics section of our website: www.ignatius.edu/academics

The distribution is as follows:

English	4 years	Theology	4 years	Public Speaking	1/2 year
