

Confidential Teacher Observation Form

In partnership with families, Saint Ignatius High School, and the local community, The Welsh Academy, offers boys entering the sixth grade from the city of Cleveland and inner-ring suburbs an opportunity to a curriculum based in Jesuit ideals and Catholic theology. Boys and their families who choose an education at The Welsh Academy will be part of a school community in which school days are planned to be longer in order to allow more time for teacher/student relationship building, interdisciplinary, project-based learning, and preparation for the academic rigors of high school. Boys who attend the academy must demonstrate academic promise and a personal commitment to their education. The Welsh Academy will allow them to develop their talents in a safe, empowering, and academically rigorous school community. The Welsh Academy is tuition-free.

Mission:

Inspired by the Catholic faith in the Jesuit tradition, The Welsh Academy serves the unique needs of early adolescent boys of modest economic means in their journey of becoming men for others. Rooted in the Gospel of Jesus Christ, The Welsh Academy shares the mission and life of Saint Ignatius High School, forming boys to grow in faith, leadership, academic excellence, and the desire for lifelong learning.
