The School

Saint Ignatius High School, which opened its doors September 6, 1886, is a Jesuit college-preparatory school. The school enrolls nearly 1,500 young men who hail from 101 cities in an eight-county region. Located in close proximity to downtown Cleveland in the vibrant and energetic Ohio City neighborhood, the school occupies 21 acres and includes 18 buildings and two athletic fields. The school has 115 faculty members, 60 percent of whom have spent 10 years or more teaching at Saint Ignatius.

Academically, Saint Ignatius is a regional and state leader in National Merit finalists and Advanced Placement scholars. The Class of 2017 qualified 9 students as National Merit Semifinalists, and an additional 21 students as Commended Students. We also had 218 students receive Advanced Placement scholar honors this year. Nearly 100 percent of Saint Ignatius students go on to four-year college programs at universities across the United States. In September 2009, the school was designated a Blue Ribbon school by the U.S. Department of Education.

As important as academics are, the spiritual program of the school is an essential component that sets Saint Ignatius apart from any other school in Northeast Ohio. While respecting all faith traditions, Saint Ignatius is a Catholic high school rooted in Jesuit spirituality. A four-year theology program, annual spiritual retreats, frequent liturgies, and opportunities for service to those in need are mainstays.

Mission Statement

Saint Ignatius High School, with its Catholic tradition rooted in the Spiritual Exercises of St. Ignatius Loyola, prepares young men for their adult lives by

- challenging them to academic excellence and the desire for life-long learning
- nurturing them to be open to growth, intellectually competent, religious, loving, and committed to work for peace and justice
- inspiring them to know, love, and serve Jesus Christ.
GRADE INTERPRETATION AND DISTRIBUTION

GRADE POINT AVERAGE

All courses taken in grades 9-12 are included in the cumulative grade point average. All AP courses are weighted .5 in computing grade point average; Honors courses are weighted .25. Saint Ignatius High School does not calculate class rank. Please refer to the Cumulative GPA Distribution Chart below.

Grade points are assigned to grades on the following scale:
