The Welsh Academy

THE MIDDLE SCHOOL AT SAINT IGNATIUS HIGH SCHOOL

In Honor of Rev. Robert J. Welsh, S.J. '54

We are seeking **fifth grade boys** who:

- > attend local public district or public charter schools
- > demonstrate academic promise and a willingness to work hard and be a positive presence in the school community
- > are willing to engage in a longer school day (7:30 a.m. - 5 p.m.)
- > have high aspirations for his future as a community leader
- > demonstrate through their grades, standardized testing, interviews and teacher recommendations, an ability to thrive in a rigorous academic environment

We are seeking **families** who:

- > are committed to their son's education and will support The Welsh Academy's rigorous academic standards
- > qualify for free/reduced lunch or earn under 250% of the Federal Poverty Level
- > reside in the city of Cleveland or one of the inner-ring suburbs
- > desire a faith-based education for their son

All Learning Begins With **Encounter**

The educational model, which emphasizes the importance of building relationships, is one of encounter: that is, student to student, student to teacher, teacher to student, teacher to teacher, teacher and families to one another, and Welsh Academy and Saint Ignatius High School to one another and to the larger community.

The Welsh Academy **Families**

Our families are made up of various faiths and ethnic groups including: African-American, Latino, White and Multiracial
