2016-2017 DROP-OFF/PICK-UP AREAS

With the new school year upon us, I wanted to send a notice pertaining to student drop-off/pick-up areas. Given our student traffic and Lorain Avenue's morning congestion, it is critical that our procedures are followed. Suggested drop-off/pick-up areas are:

1. Wendy's Parking Lot
2. St. Mary's Chapel Parking Lot
3. West 30th by Kyle Field

When using Wendy's Parking Lot, drop-off or pick-up in the area behind the restaurant. PLEASE DO NOT STOP in the driveway by Lorain Avenue.

When using the Chapel Parking Lot, enter the lot from Lorain Avenue, drop off or pick-up quickly, and exit using the drive behind the fire station to W. 32nd Street.

When using West 30th by Kyle Field, drive south towards Kyle Field and turn around. Drop off just before the drive to enter Wendy's.

We also ask that you **DO NOT** drop students off on Carroll Avenue. Additionally, students may not park on Carroll Avenue between West 32nd and West 30th. West 30th Street from Carroll Avenue and Bridge Avenue is also a no parking zone during the school day.

Thank you for your cooperation.

Sincerely,

Mr. Ryan Franzinger '02
Assistant Principal for Student Discipline
