# I-APPLY

## The Saint Ignatius Admissions Portal

---

### **What is I-Apply?**

I-Apply is Saint Ignatius High School's official admissions portal. By completing the Inquiry Form using the QR code on the reverse side of this flier, you will have access to our admissions resource board that includes everything your family needs to know about applying to Saint Ignatius High School.

Through I-Apply, eighth grade families will have the ability to register for admissions events and check your son's progress from inquiry to application and decision. Additionally, prospective students who attend non-diocesan (non-Catholic) schools will have the ability to complete our Application Form through this platform. Please note that Catholic school students will fill out their official application through the diocese in January.

### **How will I get my username and password?**

Once you complete the I-Apply Inquiry Form, you will receive an email with a generated username and log in instructions within 48 hours of submission.

### **What if I do not receive an email after filling out the Inquiry Form?**

First, we suggest that you check your spam folder for emails from [saintignatius@myschoolapp.com](mailto:saintignatius@myschoolapp.com). If you do not receive an email, it is possible that you already have I-Apply login credentials, probably from another child you had go through the admissions process. Please contact the Admissions Office if you do not remember your username.

### **What if I do not remember my password?**

There is a "Forgot Password" option at the login screen. Click on that link and follow the instructions to reset your password. Please note that the Saint Ignatius Admissions Office does not have the ability to reset your password.

### **Do I need an I-Apply account to apply to Saint Ignatius?**

I-Apply serves as a one-stop-shop for all admissions event registrations, and therefore we encourage all prospective families to utilize the platform. An I-Apply account is required to register for our Wildcat for a Day shadowing program, and is also useful to easily sign up for other events and upload important admissions-related documents.

An I-Apply account is required for all public/non-diocesan students to complete their Saint Ignatius application. Although Catholic school students will fill out their official application through the diocese in January, we encourage all prospective students to create an account to stay organized and informed throughout the admissions cycle.
